Editor, Proceedings of the Second International Conference on Energy Engineering and Environmental Protection

Associate Professor and Director, Institute of Project Management and Construction Technology, Dept. of Hydraulic Engineering, Tsinghua University, China

The Second International Conference on Energy Engineering and Environmental Protection (EEEP2017) was successfully held in Sanya, China during November 20-22, 2017. The conference was an annual forum for researchers and application developers in the area of energy engineering and environmental protection.

This conference proceeding included 239 accepted articles selected from 497 submissions.

We would like to express our gratitude to the reviewers of these manuscripts, who provided constructive criticism and stimulated comments and suggestions to the authors. We are extremely grateful as organizers, technical program committee and editors and extend our most sincere thanks to all the authors for their excellent contribution and work. Our sincere gratitude also goes to the IOP Publishing editors and managers for their helpful cooperation during the preparation of the proceeding.

On behalf of the Organizing Committees of EEEP2017
