

## THE ENVIRONMENTAL IMPACT ASSESSMENT TEAM

The Environmental Impact Assessment (EIA) has been managed and coordinated by West Coast Energy Ltd (WCE). Environmental Resources Management (ERM) has assisted in this process and provided peer review of assessments undertaken by specialist consultants. This Environmental Statement (ES) has been compiled by ERM, based on information provided by Celtic Offshore Wind Ltd (COWL) and assessments undertaken by the consultants listed below.

---

	Anatec UK Ltd	<i>Navigation risk assessment</i>
	Binnie, Black and Veatch	<i>Flood risk assessment</i>
	Cousins Environmental Consultants	<i>Intertidal and coastal habitat survey</i>
	E4 Environment Ltd	<i>Seascape, landscape and visual impact assessment</i>
	Ecology Consulting	<i>Ornithology</i>
	ERM	<i>Ornithology and marine ecology</i>
	Fugro-UDI Limited	<i>Geophysical survey</i>
	Garrad Hassan	<i>Project description and assessment of alternatives</i>

## CONTENTS

### VOLUME III - ONSHORE ENVIRONMENTAL IMPACT ASSESSMENT OF THE ONSHORE

10	ASSESSMENT METHODOLOGY - THE ONSHORE COMPONENTS	10-1
10.1	INTRODUCTION	10-1
10.2	ECOLOGY AND ORNITHOLOGY	10-1
10.3	TERRESTRIAL ARCHAEOLOGY	10-5
10.4	AIRBORNE NOISE	10-9
10.5	TRAFFIC AND TRANSPORT	10-10
10.6	LANDSCAPE AND VISUAL AMENITY	10-13
11	THE BASELINE ENVIRONMENT - THE ONSHORE COMPONENTS	11-1
11.1	ECOLOGY AND ORNITHOLOGY	11-1
11.2	TERRESTRIAL ARCHAEOLOGY	11-10
11.3	AIRBORNE NOISE	11-17
11.4	TRAFFIC AND TRANSPORT	11-17
11.5	LANDSCAPE AND VISUAL AMENITY	11- 17
12	IMPACTS AND MITIGATION - THE ONSHORE COMPONENTS	12-1
12.1	ECOLOGY AND ORNITHOLOGY	12-1
12.2	TERRESTRIAL ARCHAEOLOGY	12-6
12.3	AIRBORNE NOISE	12-9
12.4	TRAFFIC AND TRANSPORTATION	12-12
12.5	THE LOCAL ECONOMY	12-15
12.6	LANDSCAPE AND VISUAL AMENITY	12-16
13	ENVIRONMENTAL MITIGATION AND MONITORING PLAN - THE ONSHORE COMPONENTS	13-1
13.1	INTRODUCTION	13-1
13.2	MITIGATION	13-1
13.3	MONITORING	13-1

This Environmental Statement is presented in five volumes:

- Volume I - Introduction to the Project
- Volume II - Offshore Environmental Impact Assessment of the Offshore Components
- Volume III - Onshore Environmental Impact Assessment
- Volume IV - Photomontages and Visibility Maps
- Volume V - Annexes
